PROFESSIONAL SUMMARY

A passionate Front-End Developer skilled in React.js, Next.js, and modern web technologies. Strong experience in building scalable applications, optimizing UI performance, and delivering responsive, accessible interfaces. Seeking to contribute expertise in dynamic, growth-oriented environments.

EXPERIENCE

Front-End Developer

Jan 2025 – Present

Softenger India Pvt Ltd (Client: Bharti Airtel), Gurugram, HR

- Designed and developed front-end modules for Airtel enterprise tools using React.js and TypeScript.
- Collaborated closely with backend and product teams to deliver enterprise-grade features.
- Improved UI consistency, modularity, and performance across internal dashboards.
- Implemented responsive, pixel-perfect designs using Bootstrap, Material UI, and Ant Design.
- Rendered large datasets efficiently using optimized table components and reusable UI elements.

Front-End Developer

Mar 2021 – Jan 2025

Tutree India Technology Pvt Ltd, Noida, UP

- Built and maintained the Synkdup Job Portal (10k+ users) using HTML, CSS, SCSS, JavaScript, and React.js.
- Developed the SisterSite Employment Hub website using Next.js and integrated dynamic dashboards.
- Created responsive, SEO-friendly, and high-performance web applications.
- Built 4+ major applications from scratch using React.js and Next.js.
- Integrated REST APIs, improved interactivity with JavaScript, and participated in code reviews.
- Diagnosed and resolved UI/UX issues, improving user engagement and accessibility.
